Dear

The Toronto Rape Crisis Centre/Multicultural Women Against Rape (TRCC/MWAR) would like to request your support for our work with survivors of sexual violence.

Community and corporate sponsorship has been crucial to our work in supporting sexual assault survivors, their family and friends and working through advocacy and public education to end violence against women and children.

Our 17th annual Bowlathon which takes place on Saturday February 27th, 2010, is our biggest fundraiser and community event that helps to sustain our work with survivors of sexual violence.

Last year, we raised **\$ 80,000 in pledges and sponsorships**. With your support we're hoping to exceed last year's phenomenal efforts! Funds raised will support our **counseling and education programs** for survivors of sexual violence, their families and friends.

Your Financial Support Will Make The Difference.

We will issue a tax receipt for the full amount you wish to donate.
